Photographic Consent Form

At the **The Spirit Of Goole** we take the issue of child safety very seriously, and this includes the use of images of children of The Spirit Of Goole and local residents under the age of 18 years old. Including images of minors in **TSOG publications** and on www.tsog.org.uk can be motivating for the minors involved, and provide a good opportunity to promote the work of The Spirit Of Goole. However, The Spirit Of Goole has a duty of care towards minors, which means that minors must remain unidentifiable, reducing the risk of inappropriate contact, if images are used in this way.

We ask that parents/legal guardians consent to The Spirit Of Goole taking and using photographs and images of their children. We will not ordinarily include the full name of the minor alongside an image but may seek individual permission from the parent/guardian to do so on occasion.

Please complete, sign and return this form to **Jack Milnes** at **The Spirit Of Goole**.

I consent to photographs and digital images of the child named below, appearing in printed publications, on www.tsog.org.uk or **publications produced by or the website of THE SPIRIT OF GOOLE**. I understand that the images will be used only for The Spirit Of Goole purposes and that the identity of my child will be protected unless I have agreed to the publication of my child's full name. I also acknowledge that the images may also be used in and distributed by other media, such as CD or DVD, as part of the promotional activities of The Spirit Of Goole
